 - (ii) whether that travel is travel that occurred, is occurring, or will occur, before or after that arrival or departure of that kind.

51 Information about other travel may be searched for information relating to travellers within 28-day period

- (1) In this Section, *'information about other travel'* means information:
 - (a) to which access is given under Section 47; and
 - (b) that is not information about travel within the 28-day period.
- (2) This Section applies to the following situation:
 - (a) Customs, in considering information viewed under Section 50, finds information about travel within the 28-day period that relates to an arrival or departure, and to travel, by a person: and
 - (b) Customs wishes:
 - (i) to search information about other travel to determine whether it includes information that relates to that person; and
 - (ii) to view any information that relates to that person and is found as a result of the search.

- (3) In that situation, Customs may without warrant:
 - (a) search information about other travel to determine whether it includes information that relates to the person; and
 - (b) view information in accordance with subsection (5).
- (4) The search may be conducted only if it can be completed within 14 days after the arrival or departure to which the information about travel within the 28-day period relates under Section 50(5)(a).
- (5) Customs shall not view information about other travel unless that information relates to the person and is found as a result of the search.
- (6) Powers under this Section of viewing or searching are exercisable in a particular case even though, in the circumstances of that case, the purpose of the viewing or searching would not be, or would not likely to be, frustrated if the viewing or searching were delayed until a warrant under Section 52 could be obtained to authorise it.

52 Search and viewing warrants

- (1) This Section applies to any of the following situations:
 - (a) the Chief Collector of Customs considers, in light of information of any kind that is available to Customs, that there are reasonable grounds to suspect that:
 - (i) there exists a risk or threat relevant to the purpose stated in Section 44(1); or
 - (ii) a relevant offence (as defined in subsection (6)) has been, is being, or will be committed;
 - (b) Customs wishes:
 - (i) to search information to which access is given under Section 47 to determine whether it includes information that is relevant to search criteria specified by Customs, being search criteria that are reasonably related to the information available to Customs that gives rise to the reasonable grounds to suspect required by paragraph (a); and
 - (ii) to view any information that is relevant to the search criteria specified by Customs and is found as a result of the search; or
 - (c) the search cannot be conducted and the viewing done under Section 50 or 51, or Customs considers it would be inexpedient for those things to be done under Section 50 or 51.

[subs (1) subst Act 31 of 2020 s 7, opn 23 Oct 2020]

- (2) In that situation, the Chief Collector of Customs may, by application in writing made on oath, apply to a Judge for a search and viewing warrant authorising:
 - (a) the carrying out of the search within 14 days after the day on which the warrant is granted, or within any extension of that period granted by a Judge on an application in writing for the purpose made within that period; and
 - (b) the viewing by Customs of any information that is relevant to the search criteria specified by Customs and that is included in information to which access is given under Section 47, but of no other information.

[subs (2) subst Act 31 of 2020 s 7, opn 23 Oct 2020]

- (3) The application shall give details of the reasonable grounds to suspect required by subsection (1), of the information available to Customs that

gives rise to those reasonable grounds to suspect, and of the search criteria specified by Customs, and it shall also indicate whether the search is to be of all, or of only a specified part or parts, of the information to which access is given under Section 47.

- (4) On an application under subsection (2), a Judge may grant a search and viewing warrant in the prescribed form, but only if he or she is satisfied that:
- (a) the reasonable grounds to suspect required by subsection (1) exist; and
 - (b) the search criteria specified by Customs are reasonably related to the information available to Customs that gives rise to those reasonable grounds for suspicion.
- (5) The warrant is sufficient authority for the doing of the things specified in subsection (2)(a) and (b).
- (6) In this Section and Section 53, '*relevant offence*' means an offence described in Section 44(1)(b), or relevant to the purpose stated in Section 44(1).

53 Search and viewing without warrant in emergencies

- (1) This Section applies to any of the following situations:
- (a) the situation specified in Section 52(1);
 - (b) the Chief Collector of Customs considers that, if he or she were to apply to a Judge for a search and viewing warrant under Section 52, the Judge would grant the warrant; or
 - (c) the Chief Collector of Customs also considers that delaying a search and any resulting viewing until a search and viewing warrant can be obtained under Section 52 would create a real risk that:
 - (i) the countering of the risk or threat referred to in Section 52(1)(a)(i) would be frustrated; or
 - (ii) the prevention, detection, investigation, prosecution, or punishment of the relevant offence would be frustrated.

[subs (1) subst Act 31 of 2020 s 7, opn 23 Oct 2020]

- (2) In a situation in subsection (1), the Chief Collector of Customs may, with no further authority other than this Section, have the things specified in Section 52(2)(a) and (b) done as if the doing of those things were authorised by a search and viewing warrant under Section 52(4).

[subs (1) subst Act 31 of 2020 s 7, opn 23 Oct 2020]

- (2) In a situation to which subsection (1) applies, things done in reliance on Section 53(2) shall, to the extent that the doing of those things is not authorised by a warrant granted under Section 52(4), be treated for the purposes only of the countering of the risk or threat referred to in Section 52(1)(a)(i) or of the prevention, detection, investigation, prosecution, or punishment of the relevant offence, as if they were done without the authority of Section 53 or of a warrant granted under Section 52(4).
- (3) In a situation to which subsection (1) applies:
- (a) the Customs shall destroy immediately information viewed by it in reliance on Section 53(2) and that is collected by it for a purpose specified in Section 305 if the viewing of that information is not authorised by a warrant granted under Section 52(4); and

- (8) Subject to subsection (7), the Judge shall order the production of the documents to the party requesting it.
- (9) Where a request for the production of a document kept in safe custody under subsection (1) is made in the course of proceedings presided over by a Judge and the request is opposed, the Judge shall hear and determine the matter as if it had been referred to him or her under subsection (4).
